Aristo

ARISTO

European styled kitchens in classy English pastels... a kitchen made for the select few. Exquisite hand-crafted 5-piece veneer shutters with the internationally popular dual-colour, open grained Patina effect. Sleek Aristo reflects a modern English charm that is unique and enchanting. This super premium kitchen, features the best of technological advancements in kitchen systems, including internationally renowned soft-closing drawers and electronic lift-up systems, and future-ready chimneys and hobs from Europe. To top it all, Sleek Aristo is fully customisable to make it as exclusive as you want your kitchen to be.

Bring a touch of England in your kitchen with traditional design & modern Patina effect.
