# Array

Line of Kitchens

Sleek brings you Array - a series of kitchen styles in a variety of shapes, sizes and prices.

From the intelligent Smarteco kitchen, to the beautiful chic cut-patterns of Artize, to the warm sophistication of Stylus... each kitchen is as fascinating as the other.

Tell us your kitchen layout and size and we will show you a range of designs which fit the criteria, with the cost of each style. Pick the style that suits you the best and leave the rest to us.

The unparalleled Sleek Array advantages

- The best of designs: Every Kitchen Line is designed by our master designers, who have put together the best of aesthetics and functionality for each price range.
- Ergonomic designs: Every kitchen is designed as per the principles of Sleek Work Triangle to give you maximum comfort and convenience.
- Co-ordinated Designs: All the components like shutters, cabinets, accessories, appliances and hardware are coordinated in terms of aesthetics, functionality and price to give you a completely coordinated kitchen.

Smarteco

## SMARTECO

All good things come in smart packages, and so does our Smarteco Kitchens. Cabinets made with high grade, top quality boiling water resistant ply. Baskets made with SS 304 with a lifetime rust-free warranty, fitted with European soft-closing drawer and lift-up systems. A range of 40 popular Sleek shutters to choose from in matt and high gloss laminate, and Pristine PU finishes.

The best of material and functionality at an unbelievable price... no kitchen can get smarter than this.
